

# THE CITY OF ERIE

## A PROCLAMATION BY MAYOR JOSEPH V. SCHEMBER

### IN RECOGNITION OF NATIONAL LOGISTICS DAY IN THE CITY OF ERIE

**Whereas**, logistics are a part of our everyday lives and play a pivotal role in our local and national economy, providing good, family-sustaining jobs in the City of Erie and around the globe;

**Whereas**, Logistics Plus Inc., headquartered in Erie, PA, embodies a passion for excellence as a leader and worldwide provider of transportation, logistics and supply chain solutions, has partnered with the Registrar at National Day Calendar to proudly proclaim June 28th as National Logistics Day™ – a new annual day to recognize and appreciate the importance of the logistics industry in both our national and global economies;

**Whereas**, Logistics accounts for nearly 8% of everything made and sold in the United States. That includes packaging, warehousing, shipping, and more. The third-party logistics (3PL) industry – those who help businesses efficiently manage logistics across their supply chains (from 3PLs to truckers to warehouse managers) – represents an \$800 billion industry on its own;

**Whereas**, Logistics Plus was instrumental in sourcing, importing, and distributing PPE, vaccines, and other critical supplies over the past year and a half, shining a light, once again, on how crucial the logistics industry is to all of us;

**NOW, THEREFORE, I, Joseph V. Schember, Mayor of the City of Erie**, hereby proclaim June 28, 2021, as Logistics Day in the City of Erie. I encourage all Erie residents to recognize and appreciate the importance of the logistics industry in our local, regional, national, and global economies.

**JOSEPH V. SCHEMBER**  
Mayor  
City of Erie
