ASSOCIATE MEMBER CATEGORY & DUES

TIA Associate Membership is available to companies and organizations that do not directly provide third-party and/or freight brokerage services. Associate membership is open to industry organizations, shippers, and carriers, as well as those vendors and suppliers who provide services and solutions to the 3PL industry (including but not limited to carrier vetting and onboarding, cargo theft and prevention, HR resources and benefits, load boards, legal and financial services, and a myriad of software and technology providers). Annual membership dues are non-refundable, billed annually on a calendar year period, and determined by Gross Annual Revenue (GAR) of applicant's work with/for brokerage-based companies. All things at TIA are based on honesty and ethics. We ask you, therefore, to provide your current GAR to determine your company's annual membership dues. **PLEASE CIRCLE YOUR GROSS ANNUAL REVENUE AMOUNT ON THE CHART BELOW.**
